#Eligibility and agreement

LYNK is strictly for persons aged 18 or older. By creating or using an account, you confirm legal capacity, accept these Terms and the Privacy Policy, and agree that Nexa Inc SARL may maintain evidence of acceptance. Minors may not register or use LYNK.

#Authentic identity

You must provide accurate information and maintain one authentic account. Fake identities, catfishing, impersonation, deceptive verification materials and unauthorized account transfers are prohibited.

#Conduct and safety

Harassment, stalking, hate speech, threats, non-consensual sexual content, fraud, romance scams, pyramid schemes, phishing, extortion, money laundering and attempts to evade sanctions are prohibited. Report concerns and use blocking tools. In-person meetings are voluntary and at your own risk; meet publicly, tell someone, arrange independent transport and never send money under pressure.

#Commitment, wallet and digital assets

Marriage Commitment is a relationship feature, not an investment, security, deposit, wager or gambling product, and does not create a civil marriage. Future wallet balances may represent rewards, gifts, premium credits or payment funds and may be subject to separate terms. Crypto assets, including Pi, can be volatile, irreversible, delayed, lost or affected by blockchain, key, protocol and regulatory risks. Users remain responsible for their decisions.

#Suspension, disclaimers and liability

We may investigate, restrict or terminate access to protect users, comply with law or enforce policies. To the maximum extent permitted by law, LYNK is provided as is; we do not guarantee matches, compatibility, identity, conduct, marriage, availability or financial outcomes. Nexa is not liable for indirect, special, incidental, punitive or consequential losses. Aggregate liability is limited to amounts paid to LYNK in the preceding 12 months, without excluding liability that law does not permit us to exclude.

#Law and disputes

These Terms are governed by applicable laws of the Democratic Republic of the Congo, subject to mandatory consumer and data-protection rights where you live. Contact us first for informal resolution. Competent courts in Kinshasa have jurisdiction unless mandatory law provides otherwise.

#Privacy and compliance baseline

Nexa applies data minimization, purpose limitation, accuracy, security, accountability and privacy-by-design. This document is intended to align with applicable GDPR principles, Canadas PIPEDA fair-information principles, the African Union Malabo Convention and applicable DRC law; mandatory local rights prevail.

#Contact and changes

Questions, rights requests and complaints may be sent using the contacts below. Material changes will receive reasonable notice where required. The version and dates above identify the controlling edition. Translations are intended to be equivalent; if an inconsistency cannot be resolved, the French edition controls, subject to mandatory law.
