#Nexa property

LYNK software, brands, designs, databases, documentation and original content are owned by or licensed to Nexa. No ownership transfers to users.

#Limited license

Nexa grants a personal, revocable, non-exclusive, non-transferable license to use LYNK as intended. Reverse engineering, scraping, resale, unauthorized automation and removal of rights notices are prohibited except where law expressly permits.

#User content license

Users retain ownership of their content and grant Nexa a worldwide, non-exclusive license to host, process, reproduce and display it only as needed to operate, secure and improve LYNK and comply with law. The license ends when content is deleted, subject to backups, prior sharing and legal retention.

#Feedback and trademarks

Feedback may be used without restriction or payment. LYNK and Nexa names and marks may not be used to imply endorsement without written permission.

#Privacy and compliance baseline

Nexa applies data minimization, purpose limitation, accuracy, security, accountability and privacy-by-design. This document is intended to align with applicable GDPR principles, Canadas PIPEDA fair-information principles, the African Union Malabo Convention and applicable DRC law; mandatory local rights prevail.

#Contact and changes

Questions, rights requests and complaints may be sent using the contacts below. Material changes will receive reasonable notice where required. The version and dates above identify the controlling edition. Translations are intended to be equivalent; if an inconsistency cannot be resolved, the French edition controls, subject to mandatory law.
