#Retention schedule

Active account and profile data: account life plus up to 30 days after confirmed deletion. Chats: account life, then deletion or de-identification within 90 days, subject to reports or legal holds. Photos: until removed, then operational deletion within 30 days and backup expiry generally within 90 days.

#Sensitive and safety data

KYC documents and liveness data: while verification is needed and generally no longer than 5 years after the relationship ends where AML, fraud or legal duties apply; shorter where law requires. Reports and moderation records: generally 5 years. Block lists: account life.

#Financial and consent records

Payment, wallet, subscription, gift and accounting records: generally 710 years where tax, accounting, AML or dispute rules require. Legal acceptance and privacy-request evidence: generally 7 years after account closure. Marketing consent is kept until withdrawal plus proof periods.

#Deletion exceptions

Retention may be extended for legal holds, active investigations, chargebacks, safety, fraud, litigation or regulator requests. Backups are access-restricted and expire on scheduled cycles. Data is deleted, anonymized or aggregated when no longer needed.

#Privacy and compliance baseline

Nexa applies data minimization, purpose limitation, accuracy, security, accountability and privacy-by-design. This document is intended to align with applicable GDPR principles, Canadas PIPEDA fair-information principles, the African Union Malabo Convention and applicable DRC law; mandatory local rights prevail.

#Contact and changes

Questions, rights requests and complaints may be sent using the contacts below. Material changes will receive reasonable notice where required. The version and dates above identify the controlling edition. Translations are intended to be equivalent; if an inconsistency cannot be resolved, the French edition controls, subject to mandatory law.
